

Dear Preschool Parents:

Thank you for your interest in Sonshine Preschool. We hope the enclosed information and application helps you begin the registration process. We look forward to getting to know you and your child.

Registration is now open and it is very important that you send back your application and your \$45.00 registration/educational supply fee as soon as possible in order to hold your child's spot in our program. Once your application and fee are sent in, the director will later provide you the rest of the registration forms, including a physical form and immunization card. Some classes fill up very quickly and we can only reserve spots for those who send in their fee and application. Class size is limited so we fill our classes on a first come, first serve basis.

Parents have options with the number of days they send their child to preschool. **For the 4-5 year-olds**, we offer a 3 days/week program and a 5 days/week program. Our 3-day program offers letter recognition and sounds, numbers and pre-math skills, field-trips and special guests, small group and individual activities, cooking, Handwriting Without Tears curriculum, art and review of shapes, colors, & cutting skills. With the 5-day program, your child will receive the same great curriculum with the addition of more reading, science and math skills.

For the 3-4 year olds, we are offering a 2 days/week program and a 3 days/week program. Our 2-day program includes the Letter of the Week, group interaction skills, numbers, shapes and colors, gross and fine motor skill development, songs and stories, learning games, crafts & cutting skills. The 3-day program offers the traditional curriculum with an additional day to expand on the curriculum with literature, learning games, etc.

We are also pleased to offer additional services for families who need additional care for their preschooler - Early Morning Care, Late Pick-up, Extended Learning and our After-School Care programs. Please refer to the attached page for more information on each of these optional programs.

We are eager to begin serving you and making your child's first school experience a positive and happy one. If you have any questions, please contact the director, Sally Mills, at 753-3528 or sally@fbcmarshalltown.com.

Thank you again for considering Sonshine Preschool.

Sincerely,

The Sonshine Preschool Staff
